# THE PASTRY WAR AGAVE LIST

BOTTLE • DESIGNATION • ORIGIN • VINTAGE • ABV • DISTILLATION • DISTILLERS

After years of hard work, education, networking and support from distributors, bottlers and producers, we are proud to bring you this list of agave spirits. We've had the privilege of personally visiting most of the distilleries listed, and we stand by their commitment to traditional, quality production in an era of declining quality. The exhausting process of crafting authentic agave spirits reflects a Mexican culture that is beautifully expressed by what is ultimately bottled. It is a culture that asks us to be at peace with the blessings we have and to make the most out of life with tireless work, love for family, and unparalleled hospitality. We hope that our bar is a celebration of this spirit.
